Proceeds from the Financing will be used to fund exploration at the Company's Sherridon copper-gold project in Manitoba, the Shanghai gold-silver project in the Yukon's Tombstone Gold Belt and for working capital.

The gross proceeds from the sale of **FT Units** will be used by the Company to incur eligible "Canadian exploration expenses" that will qualify as "flow-through critical mineral mining expenditures" as both terms are defined in the Income Tax Act (Canada) (the "**Qualifying Expenditures**") related to the Sherridon Project, Manitoba.

There will be insider participation in the Financing. Finders' fees may be paid on a portion of the Financing and net proceeds will be used for working capital and exploration.
